Your financial aid file is in the process of being verified for 2020-2021. Verification involves the comparison of information reported on the Free Application for Federal Student Aid (FAFSA) with accepted 2018 tax documentation. If your parent(s) will not file and are not required to file a 2018 income tax return with the IRS please fill out this form. You will also need to provide our office verification of non-filing through the IRS. See Section B for instructions. You may be asked to provide additional documentation of how the household is supported. For information on whether or not the parent s are required to file taxes, please visit the Interactive Tax Assistant page on the IRS Web Site at: <https://www.irs.gov/help/ita/do-i-need-to-file-a-tax-return> or IRS Publication 501 at <https://www.irs.gov/pub/irs-pdf/p501.pdf>
