Caut brow	ion: Before entering your uNID or passwo ser is directing you to a University of Utah	ord, verify that the address in the URL bar of your web site.
Impo reque servio brow your autor	vrtant security information: This login us ested and to other protected University of ces you are using and exit your browser w sers, including Gogle Chrome, retain cor browser. Review your browser's support or matically upon exit. Instructions for Goodie	ses cookies to provide access to the site you Utah websites. For your security, log out of the when you have finished your session. Some skie information by default even after you close documentation to set your browser to clear cookies echrome.

- Login by using your University student ID (u0000000) and CIS password
- Complete the two-factor authentication step DUO, if applicable

Create Your Account

This is a one-time account creation. You will be asked for some basic information when creating your account. This information is used to validate your identity so that electronic signatures can be used on future forms.

- First Name, Last Name, Date of Birth and SSN must match the FAFSA in UOSFA's Secure Portal. First and Last Name (pulled in from CIS login) should not be changed unless it does not exactly match the FAFSA. The FAFSA limits the last name to 16 characters and the first name to 12 characters.
- Preferred email defaults to your Utah email address (pulled in from Umail login) unless you provide a different email address for us to send messages to you within the UOSFA Secure Portal.
- Phone Number, if provided, will only be used to send financial aid related text messages.

• Click on 'Create Account' button

Create Account

• Enter/confirm your student information
