

# **Non-Resident Freshman Academic Achievement Award**

## **Value**

A sum of \$6,000 will be awarded toward the cost of tuition (\$3,000 per semester, fall and spring) beginning Fall 2019 for up to eight semesters, or until you receive a baccalaureate degree—whichever comes first.

## **Renewal Requirements**

Your scholarship may be renewed each year, provided you maintain a 3.0 cumulative GPA and complete 24 credit hours during the two semesters of the academic year (12 hours each, fall and spring semesters), 20 of which must be graded. We will review your standing for these requirements after the completion of your second, fourth, and sixth semesters.

## **Restrictions**

Scholarship will be forfeited if the student gains Utah residency for tuition purposes.

## **Residency**

Students may qualify for residency reclassification while receiving this scholarship. Visit [admissions.utah.edu/apply/residency](http://admissions.utah.edu/apply/residency) for more information. However, the scholarship will be forfeited if the student gains Utah residency for tuition purposes.

## **Certification**

Students who receive a scholarship, fellowship, or other financial aid administered by the University of Utah are required by state law to certify that they are eligible to receive the scholarship as a U.S. citizen or a citizen of another country who is lawfully present in the U.S. If students do not know whether they are in the U.S. lawfully, they should seek the advice of an immigration attorney before accepting this award.

### **Deferral and Leave of Absence**

Newly accepted freshmen who wish to defer their start date to a later semester and to hold their scholarship may apply for an admission deferment through the Office of Admissions. For more information about how to apply for a deferment, visit: [admissions.utah.edu/apply/deferment](http://admissions.utah.edu/apply/deferment). Scholarship recipients considering a deferment must confirm their intent to enroll and accept their scholarship by **May 1, 2019**. Students have up until the first day of classes (**August 19, 2019**) to apply for a deferment.

The University Office of Scholarships and Financial Aid (UOSFA) will also, in extenuating circumstances, allow a student to take a leave of absence from a scholarship once he or she is a continuing student. For questions regarding eligibility for either deferral or leave of absence, please contact the UOSFA.
